WHY CHOOSE OSC?

A trusted logistics partner delivering safe, on-time & compliant operations for the Oil & Gas industry.

24/7 Operations: Ensuring continuous uptime & project momentum.

Proven Expertise: 60+ years of specialized experience in Oil & Gas logistics.

Trusted Partners: Preferred by leading international energy companies.

Strategic Location: Operating from the Middle East's largest supply base for optimal reach.

Safety & Reliability: ISO-certified operations with HSE compliance.

All operations are executed under ISO & HSE compliance standards.

TRUSTED BY THE INDUSTRY'S BEST:

OUR CRANE FLEET

We support our clients in executing complex heavy-lifting projects through skilled professionals & our in-house fleet of mobile & rough-terrain cranes from reputable brands. Higher capacity cranes can be arranged upon request. All our equipment & manpower are fully certified by relevant government authorities across the region to access all offshore & onshore project locations.
